FRIENDS AND NEIGHBORS

This newsletter, as you know, is the voice of all members of this community. If you have things to say, to write, to complain of, call the paper's editor, Mrs. Toth (469-8586) or me, Don Hordock, (365-7365). We don't promise miracles, but we will check into your problem and seek solutions.

The Cabin John Park Citizens' Association is open to all and has been since 1919 when we got our charter, one of the oldest in this area. Although generally we are concerned with zoning disputes, we have many other matters to work on. There is no clique or snobbish group running things. We now active in the group, old or now residents, are merely giving our time, our energies, to the community as a whole. Our work is yours, really, and if you support us, you help us support you.

What have we been doing lately?

1. We fought the termination of most bus service to this community, got the bus signs put up and the schedule maintained.
2. We found a satisfactory site for a swimming pool on Seven Locks Road which we hope many members of this community will join. Moreover, we have helped get the new pool association to agree to have "swim-in" days for children of the area whose parents are not members.
3. We had a trash pick-up drive.
4. We got some flowers planted along MacArthur. We'd have more if vandals didn't destroy so many of our plants.

5. We got the County and Aqueduct police to cut down drag-racing and other delinquent activities.

6. We have worked with the P.T.A. to improve Clara Barton School.

7. We have petitioned against jet noise and jet pollution.

What are we in the process of doing?

1. We shall have a meeting with Mrs. Roso Kramer and Mr. Richmond Koonoy, members of the Montgomery County Council to discuss, among other things:

- a) Roads and sidewalks
- b) Clara Barton School
- c) Zoning, taxes, etc.
- d) Library and other facilities for the community
- e) Transportation
- f) Jet plane noises

2. We hope yet to encourage:

- a) Upgrading of our businesses and the fire station
- b) Hauling off wrecked cars and other unsightly debris
- c) Further flowers and gardens on and near MacArthur Blvd.
- d) Getting parents to keep their children from destroying community and personal property.

ALL OF THIS TAKES TIME. WE ALL ARE BUSY, BUT SOME OF US FEEL WE CAN HELP MAKE THIS AN ATTRACTIVE, QUIET PLACE TO LIVE. WHY NOT OFFER YOUR HELP - AT LEAST BY JOINING US? IN UNION THERE IS STRENGTH.

NEW BUSINESS IN GLEN ECHO

As is our custom, we like to welcome new businessmen to the area. The Glen Echo Barber Shop is now under new management and is now called Sporo's Glen Echo Barber Shop. The hours are 9 a.m. to 8 p.m. from Monday thru Friday and 8 a.m. to 6:30 p.m. on Saturday. Adult haircuts are \$1.75. Children under 13 \$1.25 except on Saturdays when a haircut will cost a child \$1.50. The barber shop is above the drug store and is approached through the door on the west side of the building. Call 656-3994 and ask for Sporo.

The Clark Construction Company is going to build four new houses at the corner of Cabin Road and 76th. Plans of the new houses were shown at a recent meeting of the Executive Committee of the Cabin John Park Citizens' Association and call for modern, two storied houses which fit into the natural setting of the area.

We hope you have noticed the gardens along MacArthur Blvd...especially those of the Girl Scouts, near the bridge, and the Brownies, across from the Fire House. Many, many people have donated their time and effort to making the gardens into what they are today. Unfortunately, many of the gardens have been destroyed by deliberate vandalism. In some on the gardens, plants have been dug up and carried off. In many more, passers-by have cut off the flowers and plants or uprooted them for their own selfish, temporary and immature pleasure. We urge you to take pride in the community's effort to beautify itself. We also must warn our vandals that the gardens are on Army property. There has been one arrest already for destruction and the police have been alerted to watch for destroyers.

Juvenile arrests in Cabin John have been on the increase this summer. Some of the charges have been very serious indeed. **PARENTS - DO YOU KNOW WHERE YOUR CHILDREN ARE - ALL THE TIME?**

WE are hoping that the new recreation director will help us to fill the activities void in the area and help keep our youngsters busy. He should be here in September.

The P.T.A. is planning a family picnic in September. The date will be announced at a later time.

The first meeting of the Clara Barton P.T.A. will be on October 1.

There will be a meeting of the Executive Committee with members of the County Council on September 7, 10 a.m., at the home of Don Herdeck. If you have any issues you would like to bring up to our local government, please call Mr. Herdeck at 365-7365.

This newspaper depends for its existence on your support. Subscriptions are \$1.00 for one year (10 issues). Please send your check or cash to Mrs. Csanad Toth, 6611 80th Place, Cabin John, Md. 20731.

We also need more want ads - serve you better - and commercial ads. Want Ads are \$.50 each. Commercial Ads are \$2.00 an issue or \$5.00 for three months.

Now that the summer is almost over and we are all thinking of getting busy again, why don't you plan to sit down and write up a news item or article for us every month so that we can expand and improve this paper. We need your help to keep alive.

We also need help along the line of delivery boys, a business manager, and a teenage reporter. Maybe your church or club would like a regular column? This is a community paper...help us to make it a better one.
