NEWS FROM PYLE JUNIOR HIGH  
by Elizabeth Glenn (Our teen reporter)

The students at Thomas W. Pyle Junior High School, along with students from Sabish Junior High School in Fond Du Lac, Wisconsin, and North Ridge Junior High School in Danville, Illinois, have raised \$1,219.94 toward a total goal of \$1,400.00 for the Peace Corps School Partnership Program. This money will be used to build Keur Semba Gueye School in Senegal. Who says our kids aren't interested in the world and doing their share to help out. That's the majority that usually doesn't get written about in our newspapers.

PARENTS! DO YOU KNOW WHERE YOUR CHILDREN ARE NOW AND ALL THE TIME!

The next P. T.A. meeting will be a day-time meeting on Wednesday, November 6th, between 10 a.m. and 12 noon at Clara Barton School. Dr. Sherman, Child Psychologist, will be at the school to discuss the problems of the child between five and twelve, and to help the parents with problems.

There were about one hundred parents and teachers present at the September 30th meeting. The P.T.A. voted to sponsor the Recreation Department program in Athletics, Tumbling, and Arts and Crafts.

Mrs. Goodman, our visiting librarian, would like to start a paperback book exchange in the room next to the Library. There will be a basic small stock of books, plus donated paperbacks to start with. A child can then use the exchange by bringing in any of his paperbacks and "trading" them for books he has not yet read.

Miss Ruth Bonzer, the resident supervisor at Clara Barton House in Glen Echo, is asking for Victorian furniture. Furniture and keepsakes from the Victorian period would be given a place of honor in Clara Barton House. Call 653-0022

VOLUNTEERS ARE URGENTLY NEEDED NOW to help prepare Christmas Seal mail. The need will continue for the next few weeks. If you can spare a few hours' time please call the Montgomery T.B. - R.D. Association right away at 949-3377.

About 10,000 volunteer hours per year go into making the Christmas Seal Campaign a success. Without the help of these people who generously give their time, the services of the Association would have to be curtailed.

The following eight 5-6th graders at Clara Barton School will visit the Library of Congress on October 24 to see the Paper Making Exhibit in order to increase their knowledge of books, their creation, and materials used:

Norma Jean, Karen Camplar, Deborah Haarup, Philip Riddle, Frank Sponaugle, Linda Prather, Trenita Ware and Brenda Gebbs.

Recently, the National Capital Planning Commission took a very strong position against National Airport and the F.A.A. proposal to modernize it. We have worked long and hard for a reduction in the bothersome jet noise and pollution over our community and the position of the National Capital Planning Commission lends strength to our proposals. It is recommended that we write our appreciation as individuals to Mr. Philip Hammer, National Capital Planning Commission, 1111 20th St., N.W., Washington, D.C.
