CIVIC LEADER IS HONORED

Frank McKinney, an active citizen in the Cabin John community, was honored at Friends Day at Gibson Grove AME Zion Church on April 1, 1979. Friends Day is an annual event at the church. The congregation honors those members who exemplify fellowship through dedication, charity and hard work.

The honor came as a complete surprise to Frank McKinney. With his entire family in attendance, Mr. McKinney was deeply moved. He described the experience as being "one of the most pleasant experiences I have ever had. It was totally unexpected."

The Village News would like to congratulate Frank on the honor and thank the Gibson Grove AME Zion Church for recognizing an individual who assists senior citizens with transportation needs and home repair, counsels and works with young people in Cabin John, serves on Cabin John Citizens Association committees and provides support to many Citizen Association activities.

EMERGENCY SHELTER FOSTER HOMES NEEDED

There is an urgent and immediate need for additional emergency shelter foster homes for children between infancy and seventeen years of age. Children come from county families experiencing crises, such as the illness of a parent, marital problems, or adjustment problems of the child. Placement is for less than sixty days. The age of a child that shelter parents prefer to work with is taken into consideration. Shelter families are available for placements at all hours, can respond to the needs of a troubled child and respond to the needs of a troubled child. Emergency shelter payments are made. If you or someone you know is interested in more information, call Foster Care Homefinding 468-4278 or Ron and Cappie Morgan 320-3269.
