## DENIS, GOLDWATER TO SPEAK AT OCTOBER 28 CITIZENS MEETING

Howard A. Denis (Rep.) and Marilyn Goldwater (Dem.) will be the featured speakers at the October Cabin John Citizens Association meeting to be held Tuesday, October 28, at 8 pm, at the Clara Barton School.

Denis and Goldwater are the competing candidates for the Maryland State Senate from the Cabin John election district. Denis has been the incumbent senator for 10 years and holds the position of Senate Minority Whip. Goldwater has been a member of the House of Delegates since 1974 and is its Deputy Majority Whip.

Goldwater will speak first, starting promptly at 8 pm. Denis will speak at 8:45. Both candidates will welcome questions, so Cabin John residents should come ready to quiz their elected representatives. Election Day is November 4.

Also on the agenda on at the October 28 meeting will be a decision on the location of the memorial for Linda Billings, the Cabin John resident who was tragi-

cally slain last November. The memorial will consist of three Dawn Redwood trees and a wooden bench with a memorial plaque.

In other Citizen Association news, Treasurer Clare Amoruso announced that the 1986 Crab Feast took in \$3,311 and spent \$1,064, for a net profit of \$2,247. The average profit over the past 7 years has been \$1,911.

Photos of this year's event will be on display at the October 28 meeting. Also utensils left behind at the Feast will be on hand to be claimed by their owners.

As previously noted, if you have discovered any errors in the Cabin John Community Directory, please notify Barbara Martin at 229-3482 so that the next issue of the Village News can carry corrections.

## COMMUNITY EVENTS

(This calendar of events is open to all community groups. For the next issue please send information to the Village News, P.O. Box 164, Cabin John, MD 20818. It must be received by Nov. 15.)

- Friday, October 24, and Saturday, October 25,  
Rummage Sale, Cabin John United Methodist Church (Fri., 10am-7pm; Sat., 10am-4pm).
- Tuesday, October 28, Cabin John Citizens Association meeting, Clara Barton School, 8pm.
- Tuesday, November 4, Election Day. Polls open at Clara Barton School, 7am-8pm.
- Saturday, November 22, Craft Fair at the Cabin John United Methodist Church, 10am-3pm. Display and sale of locally-made crafts. Also bake sale and luncheon served. Craftspeople interested in taking part, contact Jean Maggio, 229-6301.
- Tuesday, November 25, Montgomery County Senior-mobile visits Cabin John. Information on services for elderly residents. MacArthur Square Shopping Center, 9:30am-12 noon.

## FIRE DEPARTMENT WINS FIGHT FOR RED LIGHT

A pre-emptor signal light will be installed by January in front of the Cabin John Volunteer Fire Department station on River Road. The light will change from a flashing amber to red when emergency vehicles leave the station.

The Fire Department had been pressuring the State Highway Administration for more than 2 years for the light. The SHA had wanted to install just an amber light that would flash in emergencies only.

## MEET THE NEW OFFICERS OF THE CABIN JOHN CITIZENS ASSOCIATION, 1986-1987

**President:** Tevy Schlafman, 6901 Carlynn Ct., 229-3506. Tevy has been president of his own landscape architecture firm (specializing in park and recreation sites) for 15 years. He has been active in Cabin John affairs for at least that long, participating in the Cabin John Plan development and the landscaping of MacArthur Blvd. Tevy is an ardent Boston Red Sox fan. He and his wife Linda have two daughters in college, one at Maryland and one in Boston.

**First Vice President:** Adriana Klich, 6502 76th St., 320-5811. Adriana considers herself first and foremost a professional mother to her 3-year old daughter. She also co-owns a telemarketing company and has a law degree. Adriana and her husband Rick are relatively new to Cabin John but have already become very active community members.

**Second Vice President:** Wanda Veraska, 6521 79th St., 229-5029. Putting her experience as last year's Citizen Association president to work, Wanda provides continuity on recent issues of concern to Cabin John. She has been active in Cabin John projects for 13 years. Wanda has two boys aged 17 and 20.

**Recording Secretary:** Judy Vogt, 6509 76th St., 229-6479. Judy is a senior at Trinity College in Washington, majoring in history. She has been active in Cabin John projects from the age of 6 when she helped paste together early issues of the Village News. Judy sings in the professional Paul Hill Chorale which performs several times a year at the Kennedy Center.

**Corresponding Secretary:** Judy Duffield, 7507 Arden Road, 229-4567. Putting her MBA to good use, Judy is doing financial analysis at Sid-

ney Kramer Books. She also recently co-authored a second edition of the popular "Things to Do with Children in Washington" published by Doubleday. Judy and her husband Bill Kramer have two boys aged 4½ and 7. She has co-chaired the Crab Feast and is a former board member of the Clara Barton Day Care Center. Judy is also an excellent gardener.

**Treasurer:** Clare Amoruso, 7521 Arden Road, 320-2685. Clare has lived in Cabin John for almost two years. She has become a very active community participant in that short time, serving this year as treasurer for both the Citizens Association and the Village News. Clare is a computer specialist for the National Bureau of Standards. She and her husband Phil have three boys aged 7, 5½, and almost 1. She loves to cook.

(These notes have been put together by Susan Vogt who reminds us that each of the officers would be glad to discuss ideas or concerns about Cabin John with any Cabin Johner.)

CABIN JOHN SCIENTISTS (Part I)

Dr. Forrest Carter, 81st St., recently received Presidential recognition for his scientific contributions to molecular electronics, a rapidly expanding area of research of which he was an originator. In a letter, President Reagan expressed appreciation to Dr. Carter for his "advanced and imaginative concepts."

In research at the Naval Research Laboratory, Dr. Carter is seeking a "sort of transistor" at the molecular-size level. Such a chemically based device raises the possibility of information storage well beyond the capacity of the human brain. In the future, it could also provide a switching element for possible use in controlling chemical processes within the human body for improved health, such as controlling the amount of insulin in the blood stream to aid diabetics. The potential of his research for new approaches to artificial intelligence has attracted the attention of scientists both in the United States and other nations.

A research chemist with a B.S. degree from Harvard and a Ph.D. from the California Institute of Technology, Dr. Carter has a primary research interest in crystallography and rare earth compounds. He is widely published in numerous scientific journals and is a frequent speaker at international scientific symposia.

He and his wife, Cynthia, moved to Cabin John nearly 20 years ago. Dr. Cynthia Carter, a physicist, is staff director of the Numerical Data Advisory Board of the National Academy of Sciences. Formerly with the National Bureau of Standards in metallurgy research, she authored a 4-volume book reviewing the field of nuclear magnetic resonance in metals and providing a comprehensive data compilation. She received her B.S. from the University of Michigan and her Ph.D. from Carnegie Mellon University. She has published a number of papers in metal physics and in science information topics.

While science is obviously a shared interest of the Carters, it was fencing that brought them together. They met at a national championship fencing tournament. Dr. Cynthia Carter went on to join the World Fencing Team in 1974 in foil and recently placed 6th in national competition in women's epee, a modern weapon fashioned after the earlier rapier. The Carters have three sons: Aymar, a biology student at the University of Maryland; Adriaan, a physics student at Johns Hopkins; and Evert, a student at Walt Whitman High School.
